

THE 55th VETERANS' DAY CELEBRATION IS NOW HISTORY

GIFT FROM LEGION

A NEW flag waves above the Porterville Museum, presented Friday by Post 20, The American Legion, with, from left, Clay Balcombe, Legion commander; Gene Duncan, chairman of the Porterville chamber of commerce museum committee; and Marvin Jones, commander of the Legion's Department of California.

(Farm Tribune photo)

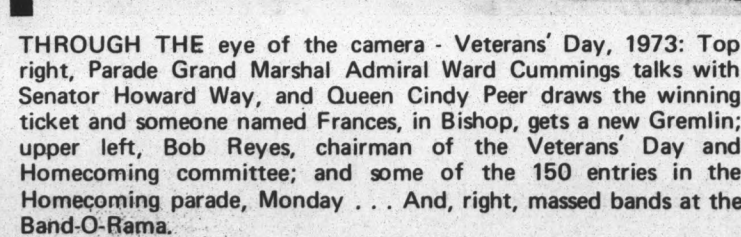

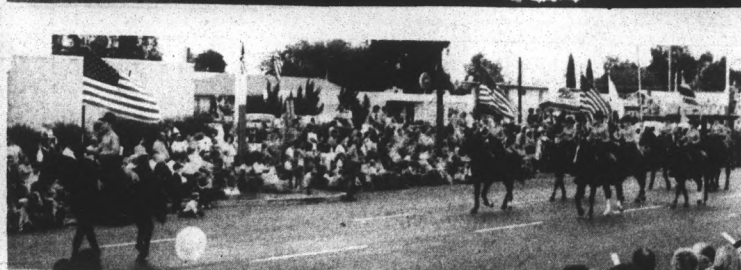

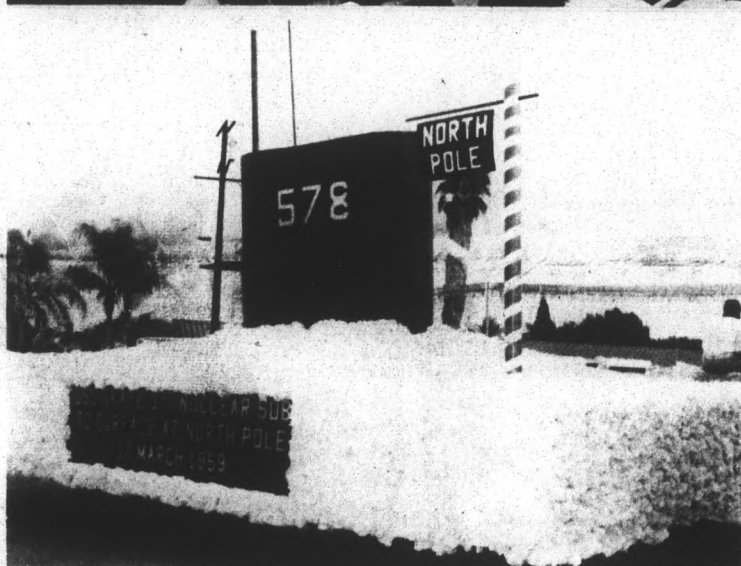

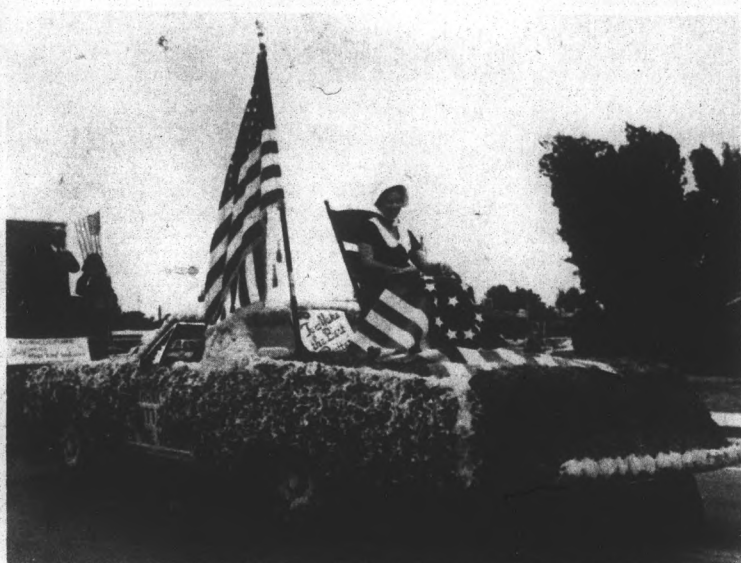

DINNER SPEAKER

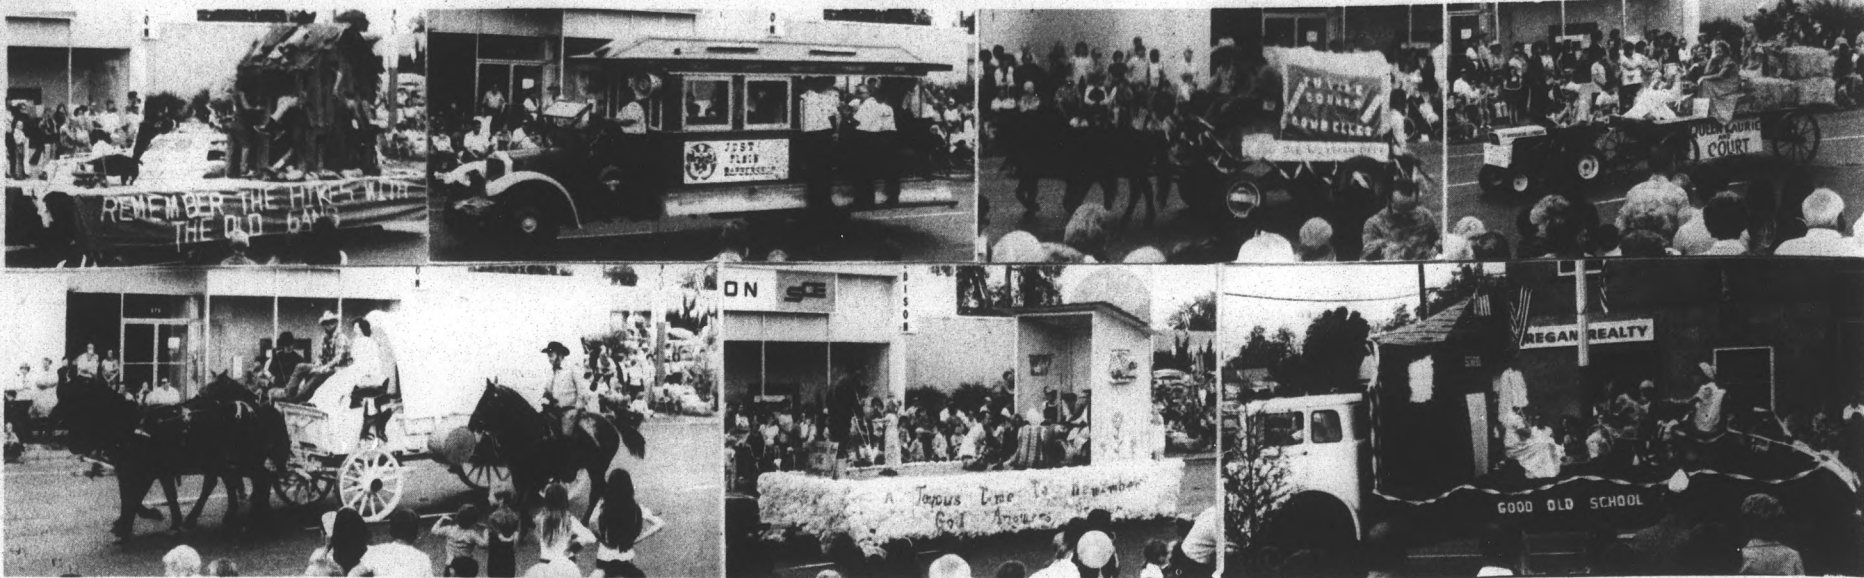

SPEAKER AT annual Fall dinner of the Tulare County Republican Central committee Tuesday, October 30, in the Exeter Memorial building, will be Dr. Earl W. Brian, secretary of the California Health and Welfare agency and a member of Governor Ronald Reagan's cabinet. Tickets, at \$10.00, can be obtained locally from Hal Campbell, Lester Hamilton, Joe Faure, Clara Rutherford, Ed. Halbert and Mildred Fink. Social hour is set for 6:30 p.m.; a prime rib dinner will be served at 7:30 p.m.

TURN THE CLOCK BACK SUNDAY

It's off of daylight saving time and back to standard time next Sunday, October 28, at 2 a.m., which means that clocks will be turned back one hour.

THROUGH THE eye of the camera - Veterans' Day, 1973: Top right, Parade Grand Marshal Admiral Ward Cummings talks with Senator Howard Way, and Queen Cindy Peer draws the winning ticket and someone named Frances, in Bishop, gets a new Gremlin; upper left, Bob Reyes, chairman of the Veterans' Day and Homecoming committee; and some of the 150 entries in the Homecoming parade, Monday . . . And, right, massed bands at the Band-O-Rama.

AS THE FARM TRIBUNE CAMERA SAW IT

Pink Bollworm Eradication Funds Being Returned; Program Continues

SACRAMENTO — A state department has announced that it is not only returning unneeded money to some special taxpayers, but it is continuing the special program for which the assessment was made while financing it with half the original tax rate.

A total of \$1,461,630 in unused cotton bale tax funds is being returned to growers, the Department of Food and Agriculture has announced, this amount of excess money being accumulated but not used in a program to eradicate the pink bollworm in the San Joaquin valley and control it in Imperial and Riverside counties.

The program is continuing, as is the bale tax, which was reduced from 50 cents to 25 cents per bale by department director C.B. Christensen last June. The tax is being collected at the new rate during current cotton ginning activities by gin operators. Refunded tax payments are being returned to growers by operators.

Since the 1968-69 fiscal year, a total of \$2,601,109.05 had been collected under authority of the Cotton Pest Control Act, which came into being at the request of growers. The bale tax money is used on a matching

basis with state funds to finance the program.

The program is comprised of three parts - biological control, insecticide spray applications, and research into a promising new control method.

The first part, flooding of the area with sterile moths purchased from the U.S. Department of Agriculture, is said to have had a major impact on reduction of breeding success; spray applications have been used for spot infestations.

Research, being conducted under a state contract with the University of California, now involves investigating a promising control measure known as the "male confusion technique." This consists of saturating the infested area with a synthetic chemical lure resembling the natural chemical signal of the female moth. Purpose is to confuse the male so that it will not mate; initial testing holds great promise of success, it is stated.

Prospective acreage of 14 major fresh market vegetables for harvest in California during the 1973 fall quarter totals 100,000 acres, compared to 87,330 for the same period last year.

USDA GRANT GOES TO DAVIS LIBRARY

BELTSVILLE, MD. — The National Agricultural library, U.S. Department of Agriculture, has awarded a grant for \$16,528 to the University of California at Davis library to identify, acquire, and index for NAL publications from California, Arizona, Nevada, Washington and Hawaii containing research information for agricultural scientists. Information on these resources will go into NAL's Cataloging-Indexing data base, and some will be published in the Bibliography of Agriculture.

About 50,000 drunk drivers in California had their driver's license suspended or revoked last year.

SYMPHONY IN PORTERVILLE CONCERT

FIRST CONCERT of the 1973-74 season of the Tulare County Symphony orchestra is scheduled for tonight in the Porterville Memorial auditorium.

under the baton of Hansel Max Rayner, assistant professor of music at Pepperdine University and conductor of the Pepperdine Community Orchestra, the Doctors' Symphony of Long Beach-Orange County, and the Burbank Symphony. Appearing also will be a 250-voice choir,

composed of four choral groups in Porterville: The Porterville College Choral, the Porterville High School Concert Choir, the Porterville Community Chorus and the Monache Concert Choir, under the combined direction of Dean Semple, Dave Rasmussen, and Christopher Bayless. The choir will sing Verdi's Stabat Mater, an ecclesiastical composition written for chorus and symphony orchestra. Curtain time for the concert tonight is 7:30 p.m.; tickets - both single admission and season - are available at Gibson Stationery in Porterville and will also be available at the door.

Leaves Turning; Campgrounds Closed In Forest

PORTERVILLE — The dogwood leaves have turned crimson - the aspen leaves have turned yellow - giving the visitor a panorama of color in the mountains of Sequoia National forest.

Ranger Robert Werner of Tule River district of the forest suggests, for the best views, a drive along Bear Creek road, or the Western Divide highway from Quaking Aspen to Johnsondale.

Werner also announces the closing of campgrounds on his district. Day use areas are available at Mineral King, Quaking Aspen, Peppermint, Belknap, and Coy Flat; however, no sanitation services will be maintained. Water is shut off; trash will have to be carried out by the visitor.

Coffee camp on Highway 190 east of Springville, and Camp Wishon are open and maintained year round.

SHERMAN PASS ROAD WORK IS UNDERWAY

PORTERVILLE — Plans for road reconstruction to a safer two-lane standard on six miles of the Sherman Pass road, from the Kern River junction to Burton camp, have been announced from the U.S. Forest Service office at Kernville.

This road improvement work is tied to the Corral Timber sale of some three million, eight hundred thousand board feet purchased by Sierra Forest Products of Terra Bella on June 26.

On October 22, Kates Brothers construction, of Mariposa, started project with a completion goal of early spring, '74. During this period, traffic will be subject to temporary delays but generally open each evening. An entire road closure will prevail once the winter season arrives, said District Ranger Art DuFault.

Questions regarding road conditions can be directed to the Kernville Ranger station, 714-376-2294.

PORTERVILLE COLLEGE STUDENTS AVERAGE AGE CONSTANTLY RISING

PORTERVILLE — Half of Porterville College students are now over 21 years of age.

Dr. Paul R. Kercher, vice president of the college, told the Kern Community College Board of Trustees that the age of the average student is constantly rising and that he is taking fewer units. A large percentage of the students hold jobs and take only one or two classes in a field of specialization.

Dr. Kercher also said that a recent financial questionnaire showed that 12% of the students come from families with an income of over \$15,000 and that

23% earned only \$3,000 to \$5,000 a year. He also noted that a larger percentage of females are now attending college, with 46% of the student body now being female.

The spirit of Porterville College students drew a commendation from District Superintendent Dr. Edward Simonsen. Commenting on the recent death of Art Instructor, David Mikow, a leukemia victim, Dr. Simonsen said, "Porterville College students are people-orientated. In response to a call for blood donations for David Mikow over 300 students offered to donate blood."

California's hunter safety training program had its biggest month in history during September when 13,624 persons - 6,123 of them adults - completed the course.

Taxable sales in Tulare county for the second quarter of 1973 were up 29 percent for a total of \$131,502,000. Sales in principal cities in the county were: Porterville, \$15,377,000; Tulare, \$18,985,000; Visalia, \$48,413,000; Lindsay, \$4,040,000; and Exeter, \$2,528,000.

SPOTTED BASS BEING IMPORTED FROM ALABAMA

SACRAMENTO — As part of a continuing program to provide a more diversified fishery for California anglers, the California Department of Fish and Game is importing Alabama spotted bass.

About 75 to 100 fish, 11 to 14 inches long and weighing one to two pounds, will be flown in from Alabama.

Most of the shipment is

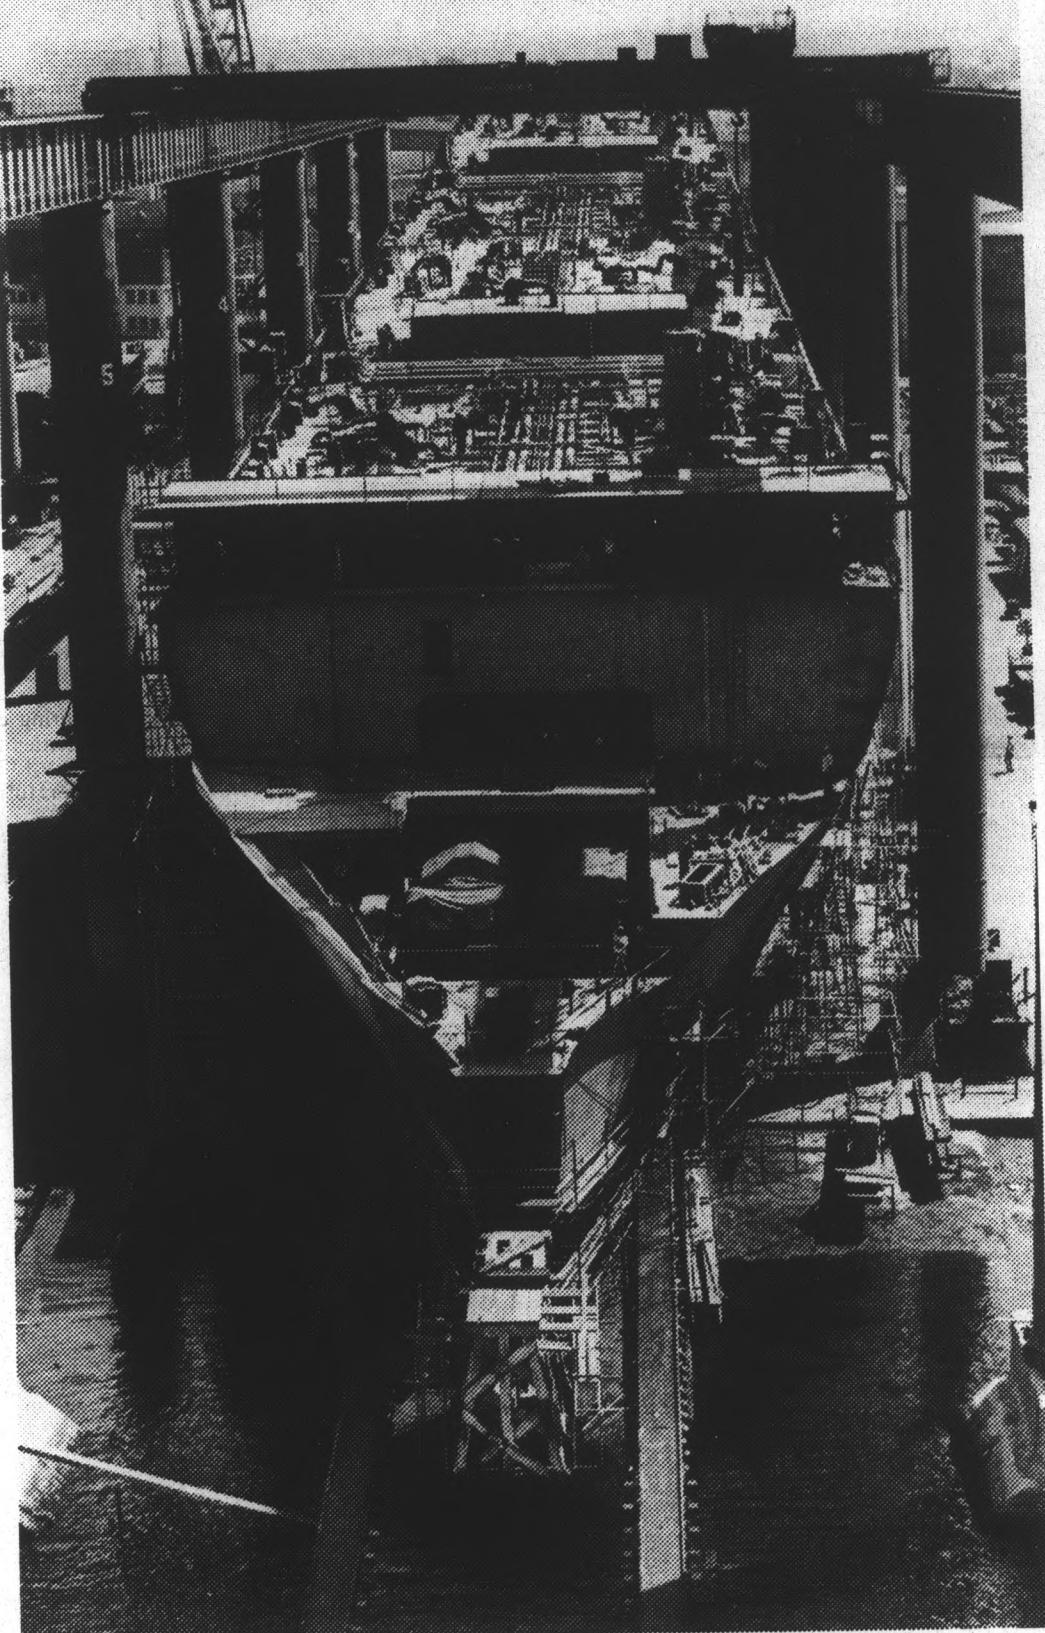

scheduled to go into Lake Perris, Riverside county, and the balance - 15 to 20 fish - will wind up at the Central Valleys Hatchery in Elk Grove, a Sacramento suburb, to be held as brood stock.

Spotted bass, superficially resembling largemouth bass but reportedly much more active on hook and line, are being

introduced into California because DFG biologists believe they may be able to spawn more successfully than largemouth bass in certain types of older reservoirs which lack sheltered areas along the shoreline.

City of Pacifica will open a new \$2,226,000 fishing pier on November 10.

THE BOLDEST VENTURE IN THE HISTORY OF THE GAS COMPANY.

There's an energy shortage being felt throughout the nation. And it's going to take more than just talk to cure it.

To keep you supplied with natural gas well into the future, we're going to be doing things you never even dreamed of.

We've already embarked on a world-wide search. Places like Alaska, Indonesia, Australia, South and Central America.

We never thought we'd be bringing gas from 7,000 miles away. But it looks like we'll have to. That means building some very complex ships. Each costing more than \$100 million. Then shrinking natural gas into a liquid so each ship will be able to carry more gas than all the homes in Los Angeles used during an entire week last year.

In a few years, these ships will be bringing gas to Southern California.

Right now, Southern California receives its natural gas by way of a pipeline from Texas. We used to think this pipeline was really something. But now we're talking about building one clear to the Arctic. A 5,000-mile pipeline through some of the most savage terrain in North America.

Closer to home, we're looking toward another natural resource for help: coal. We're getting ready to produce gas from coal; cleanly and without undue harm to the environment.

Keeping you supplied with gas will be a mammoth and costly job.

But we'll do whatever it takes to keep your home fires burning.

Southern California Gas Company

We're investing in tomorrow.

Narrated Slide Show Available To Explain SCICON Fund Raising

PORTERVILLE — A 12-minute narrated slide show, prepared by the SCICON staff, is available for presentation by the local Acres for SCICON committee.

Availability of the show was announced this morning by Public Schools Superintendent Tom Van Groningen and Mel Price, who are heading the Acres for SCICON drive in Southeastern Tulare county.

The film presentation can be arranged by calling 784-7000, extension 21, or by checking at the school district office, 589 West Vine, Porterville.

Van Groningen said that some 40 letters have gone out to local service clubs and organizations, appealing for funds with which to purchase the additional acres for SCICON. Southeast Tulare county is being asked to purchase 252 acres, or raise some \$65,500, toward the purchase of the 1,000 acres which is contiguous to the present SCICON site.

Van Groningen said requests are also going to the six K-6 Porterville Elementary schools, the two junior high schools and the three high schools here, asking the students to participate in the fund drive. Superintendents in the outlying elementary districts are also being contacted, he said.

The drive to purchase the additional acreage is being conducted on a county-wide basis with H.D. Lovik, superintendent of Visalia schools, and James Conrad, past member of the county board of education, as county-wide co-chairmen. Vernon Graves of Visalia is in charge of the county-wide public information program.

The \$65,500 must be raised over a period of the next three years Van Groningen said, adding that a number of fund-raising ideas are in the discussion stage. The slide presentation is being made available to clubs and

organizations which might have questions about what SCICON (The Clemmie Gill School of Science and Conservation) is all about. An average of 3,000 sixth graders from throughout Tulare county use the facility each year.

GREG BENNETT IS SPEAKER AT GOLDEN HILLS

SPRINGVILLE — Greg Bennett, guest of the Golden Hills 4-H at the October club meeting, gave a slide show and talk about citizenship, including his trip to Washington, D.C. for the 4-H Citizenship Short Course.

The meeting was called to order and conducted by Lynn Metcalfe, president; Brenda Tompkins, secretary, read roll call and minutes of the last meeting; officers' reports were given.

Other reports also given included Mrs. Jim Bodley, club leader, on Tulare County 4-H Leaders Council; Tracy Rutherford, National 4-H Week committee and display; Connie Brassfield, Colgate Palmolive money raising event for all youth groups; Cheryl Bodley, the get-acquainted potluck picnic; Betsy Atkin, Tulare County fair; Caroline Valenzuela, Terra Bella 4-H skating party; Jimmy Bodley, 4-H Chuckwagon breakfast; and Caroline Bodley, the upcoming Community Pride conference.

During the program Lynn Metcalfe told the club about the week she spent at the State Leadership conference at Davis in August. Songs were sung while the members got ready for initiation. Members initiated were Carol Crostic, Christine Daniel, Kelly Doran, Teri Doran, Tyger Falmo, Julie Metcalfe, Brian Mullen, Lori Mullen, Jeanne Rutherford, Deborah Valenzuela, and Albin Ash.

THE FARM TRIBUNE

RESPONSE IS "GRATIFYING" TO ACRES FOR SCICON APPEAL

PORTERVILLE — Early responses to the letters of appeal for "Acres for SCICON" have been most gratifying, according to Mel Price and Tom Van Groningen, co-chairmen of the Committee for Southeastern Tulare county.

Porterville Jaycees have indicated that they will be selling "Acres for SCICON" buttons for \$1 each, with all profits earmarked for the SCICON project. A Christmas carnival, also to benefit SCICON, is in the planning stage.

Several individuals and organizations have already purchased one or more acres.

Each acre for SCICON represents \$250. Southeastern

Tulare county has been asked to purchase 252 acres or to raise \$65,500.

Before the formal drive began for funds to save the 1000 acres contiguous to SCICON, the Bellevue student council had given \$250 to purchase an acre; the Foothill Garden club had given \$250 and Beatrice Tidball had given \$250 to the project.

The drive to add the 1,000 acres to the Clemmie Gill School of Science and Conservation is being carried throughout the county. More than 3,000 sixth graders from the county schools use the facility each year. Inquiries may be directed to Porterville Public Schools, 589 W. Vine Ave., telephone 784-7000, ext. 21.

BURTON 4-H HAS MANY ACTIVITIES AS NEW CLUB YEAR GETS UNDERWAY

PORTERVILLE — Burton 4-H members kicked off National 4-H Week by helping set-up, serve and clean-up the Annual Porterville 4-H Breakfast, where Anne LaPresta, treasurer, won the Sr. Hog Calling contest held during the breakfast.

On Sunday, October 7, Karin Cronin, 4-H Sunday chairman, and 20 other Burton members attended Mass at St. Anne's and services at the First Lutheran church. Refreshments of juice and donuts were served between services in St. Anne's cafeteria.

Kimmie Johnson and Traci Padula, Window Display chairmen, created an attractive and informative display at 50 N. Main St., showing projects being carried by members this year.

The regular club meeting was held Tuesday, October 9, in the Burton School Multi-Use room. Pledge of Allegiance was led by Marty Maples and the 4-H Pledge was led by Karen Webb. Roll call and minutes were read by Secretary Elissa Lombardi. Treasurer's statement and bills were read by Treasurer Anne LaPresta. Mrs. Doug Webb, community leader, told of the past year's accomplishments and a Gold Seal was received for the club's efforts; Tyler Martinez, president, affixed the gold seal to the Club Charter.

New members were initiated into the club during an informative ceremony in which Tyler Martinez; Tim Martinez, vice president; Elissa Lombardi, secretary; and Anne LaPresta, treasurer, officiated. New members are: Robin Barnard, Gail Boone, Matthew Brown, Robby Burns, Gina Caldwell, John Cupela, Andrew Crane, Ann Marie Crane, Matthew Crane, Mary Margaret Camp, Judy Gleghorn, Rodney Gleghorn, Faith Henschel, Robin Gobel, Sandie Goings, Chris Hill, Linda Johnson, Kirk Kaiser,

Janell Kidder, Donald Huesdens, Kathryn Moore, Tammy Moore, Carol Orduno, Olga Orduno, Lisa Pundt, Ryan Reed, Joyann Riedstro, Kelly Sanford, Tamara Taylor, Roger Taylor, Matt Vera, Cheri Zalud, and Steve Zalud.

Reports were made by Karin Cronin on 4-H Sunday, Kimmie Johnson on National 4-H Week Window display, and Neal Weisenberger on sale of 4-H Breakfast tickets. Plans were made for an entry in the Veteran's Day parade; Chairmen are Regina and Matt Brown.

Reports were made by those members who showed at the Tulare Co. fair. Jeffrey Valine, 3-1st, 4-H Champion, and Grand Champion Lamb. Alan Lombardi, 18-1st, 6-2nd, and 2-4th place. Elissa Lombardi, 18-1st, 7-2nd, 1-3rd and 1-4th place lamb, and winner of senior showmanship and round robin; Alan Lombardi placed 3rd in senior showmanship.

Also showing sheep projects were Joel Church and Mike Warnock. Beef members - Tim Martinez, placed 2nd and received 6th in senior showmanship, Tyler Martinez, placed 3rd and placed 7th in senior showmanship, Randy Martinez, placed 4th and 6th in Jr. showmanship, Karen Webb, placed 3 and 6th and was 2nd place Jr. showman and 8th place senior showman.

Charlotte LaPresta and Neal Weisenberger showed swine.

Showing Dairy were Lisa Avila, 1-3rd place, Anne LaPresta, 1-1st, Charlotte LaPresta, 1-3rd and David Serafin 1-1st.

Project leaders met with their members after the meeting and set dates to begin project meetings. Burton calendars and telephone lists were given to each family.

Refreshments were served by Becky Owen and Kathy Moore.

Thursday, October 25, 1973

OUR TOWN

By Ruth Loyd

The great war of the crickets is almost over. Our patio looks like Custer's Last Stand.

I had never been to a class reunion before, but if they are all like the reunion of the classes of 24 and 25, I'm all for class reunions. This one went on for three days.

It all started last Saturday. I was along because my husband was a member, and he kissed at least half the women and OREN SHEELA kissed the other half. These classes must have been very friendly. That afternoon there was a nice long happy hour, and that evening the classmates wandered into the Lantern Room at Gang's. A name tag was slapped on their chest, and they turned around to look for long ago buddies from their school days. It was hilarious. First the cautious meeting of friends who weren't too sure who the other person was. Then the furtive glance thru bifocals to the person's name tag. Then the whoop of recognition. Then "Remember when. . . ." Classmates came from all over the country. One hundred and fifty were finally seated at the round tables ready for food and lots of memories. CLYDE SIMPSON, from Bridgeport, Calif., was the master of ceremonies. He had some jokes to tell, and ran the show. He let GENE TYLER, from Sonoma, say a very few words, and there were prizes for weird things like, "who came from the greatest distance," this was won by JAMES DARNELL from Roscoe, So. Dakota. "Who was the tallest," won by HAROLD FINK from Visalia. "Who had the biggest feet," won by CHARLES VAN DE MARK, and "who had the most of their original teeth," this was a tie jointly won by the TAPPE family with the beautiful MARGARET TAPPE SAMSON ahead of the rest.

CAROLINE CHAMBERLAIN LOWE, and her committee, had the tables decorated with oranges and greenery, and I was hoping she would sing the Orange and Green, but she didn't. All in all it was a great party, and the guests stayed late and caught up on all kinds of goodies. Lots of the happy classmates stayed for the parade, and drove around OUR TOWN to see their old homes, and all the new things on Main Street.

The parade was great as usual, and I was very impressed with the good looking Policemen who seemed to be everywhere, doing their job so efficiently and pleasantly.

Happiness is classmates remembering the hanky panky of their school days.

California summer onion production this year is estimated at one percent over 1972 but nine percent under 1971.

Cantaloupe harvest is near completion on the Westside, but is increasing in Imperial valley.

TWENTY-SEVEN Porterville men who gave their lives in Vietnam were honored during the Band-O-Rama that featured the Veterans' Day celebration, Monday, with 27 Redwood trees, donated by Sequoia National Forest, that will be planted as memorials to the men, inspected by Admiral Ward Cummings, right, and Lt. Gary Thornton. As they stopped at each tree, and saluted, name of one of the men was read and flag at that tree was lowered. Girls participating are members of the Porterville Panther drill team. AWARDS IN connection with recent 4-H Chuckwagon breakfast were made Tuesday night at the Edison company living center with top photo showing hog-calling champions, from left: Jovita Camarena, junior division; Ann LaPresta, senior division; and Bill Brown, adult division. Receiving a trophy from Howard Smith is Julie Swartzlander, representing the Ducor 4-H club that won

ticket-selling honors. Urbaneers were second; Vandalia third. In lower photo Howard Snyder, senior hog calling champion of the L.A. County fair and mayor of Ontario in southern California, who judged the 4-H breakfast contest, talks with Supervisor Ray Muller during the breakfast; that's Mrs. Snyder with them. (Recorder and Farm Tribune photos)

'ANGOLA' SUBJECT OF FIRST FORUM MONDAY AT MEMORIAL AUDITORIUM

PORTERVILLE — "Angola, A Different Africa" will be the subject of the first Porterville Adult forum of this school year, to be presented at 7:30 p.m. Monday evening in the Porterville Memorial auditorium.

The speaker, James Metcalf, who presented last year's program on Portugal, has a background that includes military training films and later, educational films for Walt Disney, General Electric, and Pan-American Airways. In addition, he has contributed to Rand McNally and Doubleday publications.

Metcalf's film is the first travel film made of this Portuguese colony on the west coast of Africa. It was prepared with the cooperation and urging

of the Portuguese government. Angola is almost the last remaining part of the great Portuguese empire that began with the explorations of Diaz and DeGama in the 1400's.

This year, the forum will focus on the lesser known places of the world including, in addition to Angola, Lebanon, Mongolia, and Afghanistan.

Dr. R.H. Chamberlain, Director of Adult Education, Porterville Union High School district, says there is no charge for any of the series and all interested adults are welcome. A brochure listing the programs is being mailed to all who attended last year. Anyone else wishing to receive a brochure should call the Porterville Adult school at 784-7000, extension 14.

New Developments In Citrus Rootstocks Is Subject Of Meeting In Bakersfield

VISALIA — "New Developments in Citrus Rootstocks" will be the main topic presented by Dr. W.P. Bitters to the California Citrus Nurserymen's society at fifteenth annual meeting of the organization being held in Bakersfield on Friday and Saturday, October 26 and 27.

Dr. Bitters, University of California horticulturist, has recently participated in an exchange of information on rootstocks at the international level during sessions held in Florida last month that brought world authorities together on

topics involving rootstocks and diseases.

Local citrus nurserymen, propagators and growers are invited to attend their annual meeting. The session starts October 26 at 6:00 p.m. at the Ramada Inn, 2600 Pierce road, Bakersfield, with a social hour, dinner, business meeting, reports and Dr. Bitter's talk.

On Saturday, October 27, a bus tour leaves the Hilton Inn, 3535 Rosedale highway, Bakersfield, to visit citrus rootstock plots and new grape propagation in southern Kern county.

CITRUS MEN'S LUNCHEON MEET FRIDAY AT EXETER

Outlook for the coming Navel orange season will be discussed by Bob Autenrieth, vice president of Sunkist Growers, in charge of fresh fruit marketing, at a luncheon meeting of the Citrus Men's club in the Memorial building at Exeter, Friday at noon.

Autenrieth will talk on citrus sales in the United States and the expansion of markets throughout the world. A question and answer period will follow his talk.

During a short business session, club officers for the coming year will be elected.

"Shore I'm strikin' fer the cause . . . cause I ain't got no money and I'm broke!"

Cotton Harvest Hits Its Peak; 93,000 Samplings Week Of Oct. 19

BAKERSFIELD — The cotton harvest is at its peak, according to the USDA's Agricultural Marketing service. Carl J. Lorenzen, officer-in-charge of the Bakersfield Classing office, reported that 93,000 samples were classed for the week ending October 19th, bringing the season total to 166,000 compared to 250,000 samples classed by this date a year ago.

Quality statistics for the week show that 58 percent of the samples graded 31 (a small decline from the previous week), 31 percent graded 41 and 7 percent graded 40.

Staple 35 was the fiber length for 78 percent of the samples;

twenty-two percent of the samples stapled 36.

Micronaire readings were in the 3.5 to 4.9 range on 98 percent of the samples. Two percent miked between 5.0 and 5.3. Pressley fiber strength tests showed that 99 percent of the samples had a reading of 90,000 psi or stronger. Average Pressley readings for the week and season were 100,000 psi.

Market activity remained very slow as growers continue to deliver cotton to fulfill previous contracts. A small amount of the 1974 crop was contracted by growers for 58.00 to 60.00 cents basis grade 31, staple 35.

The United States had 56,600 traffic accident deaths in 1972.

A NEW flag and flagpole at the Porterville Memorial auditorium was dedicated Sunday evening prior to Veterans' Day Memorial service inside the auditorium, with left photo showing Adm. Ward Cummings and the Rev. Ragnar Kjeldahl during the ceremony; Col. Richard

Williams, Hughe Williams, and the Rev. William A. Harrison are in background. Also participating was Lt. Gary Thornton. The flag was presented by Don Hardaway, a member of the Memorial District board, to Mayor Joe Faure who, in turn, presented the flag to

Rev. Kjeldahl, who then gave the flag to Clay Balcombe, commander of Post 20, The American Legion, and Jim Hayden, commander VFW Post 2001, who ran the flag up the new, lighted flagpole. In right photo - the Memorial service, with the Porterville High School Concert choir performing under direction of Christopher Bayless. Participating in the non-denominational patriotic

service were: The Rev. Philip T. McGallian, Mayor Faure, the Rev. Monsignor Harry Eggert, the Rev. Robert Matzke, the Rev. Jennie Bonilla, the Rev. Harrison, the Rev. Charles M. Brandon, Dr. Robbin R. MacDonald and the Rev. Kjeldahl. Music for both ceremonies was provided by the Porterville College band, directed by Buck Shaffer. (Farm Tribune photos)

CALIFORNIA STILL "SWEETEST STATE"

SACRAMENTO — Honey production fell off 16 percent in California during 1973, but the Golden State is still the sweetest of them all, holding a substantial lead in commercial honey

production over its nearest rival, with estimated production for aparies with 300 colonies or more at 17,490,000 pounds for 1973. The state has 330,000 colonies in 1973; yield per colony is up slightly to 53 pounds, compared with 50 pounds in 1972.

Blue Light Being Added To Patrol Cars

SACRAMENTO — Rotating blue lights will join the familiar red and amber warning lights on patrol cars of the California Highway Patrol.

For the first time, light bars incorporating blue are being installed on top of CHP cars in the San Francisco bay area, the Los Angeles region and San Diego.

The experimental roof-mounted units also include an electronic siren and a public address system.

The blue lights are the result of research which showed blue to be more visible at night and red during the day. Thus blue and red will be combined in the light bar and will operate simultaneously, under emergency conditions.

By the first of the year about 150 of the new light bars will be in operation, and by spring over 300 will have been installed on new patrol cars in the three metropolitan areas. Ultimately all CHP patrol cars will be equipped.

Cowboys To Cow Palace For Major Rodeo

DENVER — Cowboys are nearing the end of the regular season in pro rodeo with only one major rodeo left, the Grand National rodeo in San Francisco, October 26-November 4, where about \$75,000 in prize money will be offered. The event will be held in the Cow Palace.

After that, the top 15 cowboys in each of six events, and the top 15 women in barrel racing, will head for the National Finals Rodeo in Oklahoma City, Okla., set for Dec. 1-9. Prize money there will hit another all-time high of \$132,000 for the cowboys alone.

The five standard events and team roping are on the contest agenda, and virtually every top cowboy in the country will be there to compete, including Larry Mahan of Dallas, Texas, on his way to a record sixth all-around championship. Mahan is also trying to set a new winnings record for a single season by topping the \$60,852 won last year by Phil Lyne, George West, Texas.
